

Speedworld Booking and Cancellation Policy

All bookings are made online and are paid in full in advance and are NON-REFUNDABLE

Events can be RESCHEDULED with a MINIMUM 24-hour notice. Cancellations made with a minimum 24-hour notice may be eligible to transfer the amount paid (minus booking fee) to a Speedworld Gift Card.

In order to ensure we give all our members the best possible experience, it is important that we run our events on time, and as scheduled. Upon booking your event, you will receive a schedule for arrival time and approximate time for your first race. For bookings consisting of multiple heats, there may be alternating races between each heat.

“arrive and drive” races (1, 2, and 3 race packages) may have up to 10 drivers in each race, booking a race time does not guarantee exclusivity on track. Grand Prix (GP) style, Enduro and Lemans bookings are exclusive events and will ensure that ONLY your guests will participate in your race(s)
